

SOUP'S ON !

**TRINTY AND GOOD SHEPHERD CHURCHES
WILL BE HOLDING ANOTHER SOUP SALE
THIS FALL**

Because previous TUC & GSA Soup Sales were so successful, we will be holding another one in the early fall of this year.

Formal notification asking for volunteers to make soup will occur from August 2nd to September 6th. Hence, we are giving advance notice now so everyone has time to think about a soup offering they might make. We hope many of you will do so...the more soup we have the better the sale will be!

If you already know you will be making soup for this endeavour, please let Marilyn Loat (TUC) at 204-793-2189 or at e-mail cdmloat@mymts.net or Ann Timonin (GSA) at 204-261-7578 or e-mail timonina@hotmail.com know by **no later than September 6th**.

When you let either Marilyn or Ann know that you will make soup, please include a list of all the ingredients in the soup, so that purchasers know what they are buying.

More detailed information about the Soup Sale will occur at a later date, as well as a demonstration to both congregations of the way we want the soup frozen.

Stay tuned.
